

## ***UPCOMING EVENTS***

- September 3<sup>rd</sup> – Club Meeting (Legend’s Steakhouse)
- September 19<sup>th</sup> & 20<sup>th</sup> – Mid America Fun Scale Classic

## ***August Meeting Minutes***

Vice President Jeremy Woodside called the August 2009 MPRCF meeting to order with 12 members and 2 Board Members present. Dan Wandell presented the Treasure’s report. The report was accepted as read. Jeremy Woodside read the minutes from the July meeting. The minutes were accepted as read. In old business the “Dawn Patrol” was a success with several in attendance. Matt McKnight presented the roster for manning the MAFSC. Volunteers for various positions were taken. A motion was made and seconded to authorize Dan to purchase plaques for MAFSC. In new business, a motion was made and seconded for the club to purchase two picnic tables from Sam’s. Gary Mann will purchase and deliver them to the field. Finally, the club’s generator, will be donated to any club member that wants it. The cost of repair greatly outweighs its usefulness. Meeting adjourned.

## ***President’s Comments***

Well it's almost September so if you haven't done so yet it's time to pull your airplanes down and dust them off because we are going to see some of the best flying weather of the year. The next few weeks are going to be busy ones, our Mid American Classic is just a few weeks away (Sept. 19th and 20th), the associations annual fall fly-in at Maury County Airport is the weekend before (Sept. 12th and 13th), and this weekend coming up is the big bird fly in at Tullahoma. And let's not forget Labor Day weekend. I know everyone is busy but please take some time to help support our club and the association, which we belong to, these fly-ins are a lot of fun and a great way to get caught up with old friends you haven't seen in awhile. Matt tells he still needs a few volunteers to help with the Mid American Classic so if you can help please contact Matt or myself. Our next club meeting is Thursday September 3rd At Legions Steak House in Smyrna this will be the last meeting before our contest so please everyone try and attend this very important meeting.

If you haven't checked out our web site lately please do so and if you have any comments or see anything that needs updating or changing let me know. Anyone that has pictures send them to me and I will see they get put on the web site. We also need to get more pictures of members to add to the members section, it helps when you can put a picture with a name. Our field has been looking great, Rick Kesler And Ken Caissie have been doing a fantastic job keeping the grass cut. If you are out there when their cutting stop and watch for awhile, what a team they make, they get the whole field cut in about an hour and they seem to have a great time doing it. Thanks a lot guys we really do appreciate the job you do. Speaking of field maintained we are in need of a volunteer for that job, anyone interested please see me or one of the club officers.

If you haven't read the presidents perspective in the September issue of Model Aviation take the time to do so you will find the letter Tim DiPery wrote thanking us for letting him use our field for his helicopter contest last June. Tim sent the letter to A.M.A. in appreciation for what we did and president Dave Mathewson included it in his monthly letter extending his thanks and appreciation to our club. Every member should be proud to be a part of this club I know I am.

Ok it's time to wrap things up, please don't forget the meeting Thursday September 3rd the meeting will start at 7:00 pm. come early if you plan on eating the reservations are for 6:00pm. See Ya There. Until next month gear down, wings level, and don't forget to flair.

Jim Powers  
President MPRCF
